

Tri-Force Consulting Services Inc.

www.triforce-inc.com

Introduction:

Tri-Force Consulting Services, Inc. is a project based IT consulting firm located in Lansdale, PA. (a northwestern suburb of Philadelphia). Founded in 2000 by President and CEO Mr. Manish Gorawala, who manages a staff of highly skilled consultants with over 20 years experienced in applying cutting edge enterprise technologies to real-world business problems. We have a well-defined and mature application development process which comprises the complete **Software Development Life Cycle (SDLC)** from business case analysis to warranty support of the application.

Custom Software Development and Support Services:

Custom software development is our specialty. Our services include:

- Custom applications development
- Software engineering and technical design
- Integration & maintenance Services
